

General and Genetic Health Guarantee

Our health guarantee covers Overall Health for 30 days, 2 years for a genetic issue.

This is a guarantee that your new puppy appears free of general health issues (unless otherwise noted on the veterinary report). At the age of 7-8 weeks, this puppy was examined by a veterinarian, and unless otherwise noted on the report, appears normal & healthy. If you accept your puppy with the veterinary report that is given for that puppy, you take all responsibility for the puppy and all vet bills that may accrue in the future if it is not covered in this health guarantee. This health guarantee covers general health upon pickup, and genetic health from the day your puppy was born till one year of age. After one year, this health guarantee is void.

Every puppy must see a licensed veterinarian within 10 days after leaving the seller or the health guarantee is void. If a veterinarian examines your puppy and diagnoses it with any serious diseases or injuries not noted on the seller's veterinarian report, the seller agrees to refund the veterinary cost directly related to the issue. The seller will in no case refund more than the cost of the puppy upon purchase. A full veterinary report diagnosing the issue must be presented to the seller, along with the veterinary's contact information and signature. The report must show that the puppy has not been abused or

You must vaccinate your puppy with the appropriate vaccines at the appropriate time and age of the puppy.

Please know that all puppies can have worms or internal parasites. We deworm regularly and to the best of our knowledge, your puppy has no parasite issue. Also know that providing your new puppy with the proper nutrition is important. However as long as a puppy is with its littermates there is always a chance of a Parasites being present, when they are dewormed they naturally expel them and it is very easy for a littermate pick it up again. If any parasitic treatment is needed you will be refunded the cost.

If your puppy has a life altering condition that proves to be genetic, up to the time the puppy is 2 years of age, you have two options. The seller will either replace your puppy with another puppy of the same breed & gender from the first available litter, or the seller will refund the veterinarian costs up to the amount paid for the puppy. The seller will in no case refund more than the cost of the puppy upon purchase. A full veterinary report diagnosing the issue must be presented to the seller, along with the veterinary's contact information and signature. The report must show that the puppy has not been abused or neglected, and must prove that the condition is genetic.

If the puppy is resold to another party other than who the seller sold the puppy to or at a different residence from where my records indicate the puppy was to go to, this health guarantee is void immediately.

Under no circumstances shall the seller be liable for any consequential damages resulting from or in a manner related to the puppy.

Our goal is to provide you with a healthy puppy that will stay in your family for years to come. We don't want to see your puppy with a health issue any more than you do. If your puppy shows up with any type of health issue, please contact us so that we are aware of it.

By signing, both the buyer and the seller agree to use honesty and trust, and have read and understand this health guarantee.
